4. Neutral (neutral/regular 2)

3-Way switch option 2

1. Regular 1 (line/neutral or line/regular 2)
2. Regular 2 (regular 1/line/regular 3)
3. Traveler (regular 3/regular 2/neutral)
4. Neutral (neutral/regular 2)

Part 3. Wiring Diagram

1. Line
2. Load
3. Neutral

Part 4. APP Connection

1. Bluetooth
2. Wi-Fi
3. App

Part 5. Network Configuration

1. Enter the Wi-Fi Password
2. Enter the Wi-Fi Network Name
3. Connect to the Wi-Fi network

Part 1. Installation

- 3-Way Wi-Fi Toggle Dimmer Switch

Part 6. How to Install

1. Turn off the power.
2. Remove the switch box.
3. Connect the wires.
4. Return the screws.
5. Turn on the power.

Part 7. Technical Specifications

- Voltage: 120V AC, 60Hz
- Current: 15A
- Power: 2400W
- Weight: 1.5kg

Part 8. Troubleshooting

- Check the power supply.
- Check the connection of the wires.
- Check the Wi-Fi configuration.

Part 9. Warranty

- 2 years

Part 10. Contact Information

- 1234567890

Part 11. Terms and Conditions

- Refund policy
- Return policy
- Privacy policy

Part 12. FAQs

- How to install the switch?
- How to change the light setting?
- How to set the timer?
- How to control the device?

Part 13. Safety Instructions

- Risk of electrocution
- Risk of fire
- Risk of damage to property

- Contact information
- Hours of operation
- How to reach us

Part 15. Feedback

- Send your feedback
- Share your experience
- Ask questions

Part 16. Frequently Asked Questions

- What is the best way to install the switch?
- How to connect to Wi-Fi?
- How to control the switch?
