Introduction

The EVA LOGIK WF96 is an enabled 15A outdoor smart plug designed for use for most residential lighting and motor applications. It's compatible with LED, halogen, incandescent, xenon, fluorescent and compact fluorescent bulbs. Works with Amoazon Alexa, Google Assistant and IFTTT.
Overload protection and no hub required.
One smart outlet, you can use free App, or voice control by Alexa and Google Assistant to operate your devices in your home.
One bypass outlet for standard use.
Total load capacity for both outlets is 15A(1800W) Resistive.
